Candace Denison

Candace Denison is the wife of attorney, Joseph C. Denison, Sr., and mother to three homeschooled children. Candace is a graduate of Auburn University with a B.A. in history and a double minor in political science and journalism. She graduated from Oral Roberts University O. W. Coburn School of Law with a Juris Doctorate and was admitted to practice in the Alabama and Florida Bars. She taught as an adjunct professor at Regent University School of Law in Virginia Beach, Virginia, and with her husband founded Denison and Denison, P. C., a law firm committed to estate and tax law as well as adoption. This is her twelfth year to teach Physical Science with Lakeview HOC. She also teaches World Geography and Civics/Alabama History for Lakeview JOC.

Carrie Fellows

“Who’s in for a game of Gaga Ball, Gold Rush, or Golden Ball? Or how about some Ultimate Frisbee??” Joining this class is a great way to add physical fitness to your student’s day while also giving them an opportunity to make new friends and grow existing friendships in a natural setting. Kids will hang out and eat their lunches (brought from home) together on the grassy field. They will then have a prayer and devotional that encourages godly character development. After that, the games begin! Each week they will play a sport or recreational game where good teamwork and good sportsmanship will be encouraged. Students will need to dress appropriately for the weather and for playing games! *“Come ready to have fun!”*

Kathy Lynch

Kathy graduated from Auburn University in 1979 with a B.S. in Elementary Education. Upon graduation she began teaching in the Lee County school system and continued teaching until 1996 when she began homeschooling her own two children. While homeschooling she taught part-time, on-campus at Ballard Christian School from 1996 to 2001. In 2004 she began teaching composition classes and other subjects to homeschoolers at the Homeschool Connection. Kathy taught students from elementary ages through seniors in high school. She withdrew from teaching during 2011-2013 to care for her husband who was diagnosed with a rare neurological disease. After his passing in August 2013, she returned to teaching homeschoolers as God called her to do long ago. Currently she teaches classes for the Lakeview Educational Enrichment Program (LEEP), as well as Lakeview's JOC and HOC, and the Charlotte Mason Classical Community (CMCC) in Auburn. Working with students is one of her greatest passions.

Marie Tennant

Marie Tennant graduated from the University of South Alabama in 1995 with a Bachelor of Science in Nursing. Upon graduation, she began working as a critical care nurse, and she has continued in that field to the present time. She and her husband, John, homeschooled their two daughters both of whom are now young adults. During her 14 years of home schooling, Marie continued her work as a nurse, and it is that knowledge and skill which she has utilized in her work that uniquely qualifies her to teach the eight modules of this general science book which deal with the human body.
